LEARN HOW TO DESIGN WITH CONFIDENCE!

Want to create flyers, social media posts, invitations, or simple graphics but don't know where to start? Join us for a beginner-friendly Canva class where we'll walk you through the basics step by step!

WHAT YOU'LL LEARN:

- How to create a free Canva account
- Navigating the Canva dashboard
- Choosing and customizing templates
- Adding and editing text
- Uploading and inserting photos
- Using elements (graphics, shapes, icons)
- Changing colors and fonts
- Downloading and sharing your designs
- Basic tips for creating eye-catching layouts
